

Daniel Rieber is a native New Yorker with 29 years, experience working in the field of energy efficiency. In 1988, Mr. Rieber began by performing energy audits and was a construction manager, in multi-family buildings for the Weatherization Department of New York City Housing Preservation and Development's Energy Conservation Division. **Currently (and since 1993)**, Mr. Rieber serves as the **Weatherization Director** at Northern Manhattan Improvement Corporation (NMIC). In that capacity he continues conducting energy audits and construction management for the Weatherization Assistance Program at NMIC. Dan is also an active board member of the Association for Energy Affordability (AEA) for the last 20 years, for the past 7 years a member of the New York State Weatherization Director's Association (NYSWDA) board of directors and serves on the board of Green Home NYC as well. Dan is certified as an EPA Lead Paint Supervisor and has a BA degree from The State University of New York at Stony Brook. Dan has presented at past ACI/HPC conferences, National and Regional WAP conferences, NESEA Boston / NYC and at each of the Multifamily Conferences held in NYC and Chicago.
